Central Silk Board (CSB) is a Statutory body established in 1948 by an Act of Parliament. It is working under the administrative control of Ministry of Textiles, Government of India.

The Central Silk Board is the apex national organization responsible for the overall development of the silk sector in India, covering the entire value chain from research and development, seed production, extension, quality certification, training, technology transfer, and policy support in both pre-cocoon and post-cocoon sectors.
